A Premier Preschool Music Education Program

Music School Inc. believes that music is an art form that is meant to be performed. Rock'n Tots™ was created to introduce young children to music and give them the opportunity to express themselves through musical performance. During this experience, children will gain a basic understanding of music while developing self confidence, motor coordination, and social skills through their interaction with other Rock'n Tots™ students.

Developed by our top notch Music Educators, our programs are designed to meet New York State Board of Education standards.

In-School Programs

Music School Inc. provides preschools, community centers, camps, and day care facilities with New York State certified music teachers that come to you!

Our teachers provide lessons plans that meet National Content and Achievement Standards for Pre-K learning. We are currently providing music education and enrichment to some of the top programs in New York State, including Suffolk EOC at Patchogue Tutor Time & SUNY Farmingdale Day Care Center.

The primary objective for Rock'n Tots™ is to introduce young children (ages 2-5) to music and prepare them for future music education. Each student will be exposed to many musical elements while interacting with other children. Classes will focus on will be Rhythm, Pitch, Dynamics, Singing, Tonality, and Movement in Music.

Our instructors are also available to provide full support for children's concerts and graduation ceremonies.

Call today and see how we can help enrich your program!

Group Classes

Music School Inc. also offers Rock'n Tots™ in your home. You can select the children in your group and we'll do the rest.

Your class will use the same academic standards as our In-School Programs, but is held in your home, or at our studios!

Private Classes

Music School Inc. also provides individual Rock'n Tots™ classes for families wishing to introduce their young children to music in a fun and exciting way! These one-on-one classes are available in your home, or at our studio.
